Dear Mr. Tate,

After many months without contact with the "original" ASJP gang I finally stumbled upon a copy of the January Promethean News Letter. Lt. Edward Sylvester, who at this time happens to be sharing my S & I "palace," received the issue. I devoured its contents hungrily and recalled with pleasure our short stay on Howard's campus. The joy derived from seeing the names of all the men is really beyond expression.

Recently I had the good fortune of meeting S/Sgt Tutt again over here, and just a few days ago I ran into Wesley J. Moon in the city of Florence. I have also seen Ernest J. Blache who was my roommate in Clark Hall.

I don't know just how I missed being in on the establishing of the organization, but I would like to have my name added to the roll. You may expect my dues in full in the very near

future. I wouldn't miss that reunion in H.C.
for anything!

To those fortunates still haunting the campus
a hearty congratulation, and to all the gang, "hello,
good luck, and let's all meet in Washington!"

Sincerely,

Lt. Melvin Addison

P.S. I am anxiously waiting to read Geronimo's
back-cap on Stumpy's scribe!
